1 Keep what is holy separate from all other things. For even in the very ink of His words, THE LORD abides.

² Thank you Lord for protecting me, your word is my shield that gives me safety and rest in somber days.

³ I will trust the Lord, for he carries me when I am too weak to carry myself. In His arms are power and strength, strengthening me to come out when I am ready, but allowing me the time to be patient and wait in His peaceful stronghold.

⁴ His touch of love is as silk to the soul, making for a restful place to lie one's weary head.

⁵ I will thank THE LORD with all my heart, for He has provided me a way to gain His favor and make Him proud of me. ⁶ Through persistence, The Way will become easier, through prayer, the way will become eternal life.

⁷ I look towards the mountains, away from the flatlands, there I find my LORD. Behind the curved walls of His hand He sits in wait for me. I feel His power when I turn the circle of one of His mass creations. ⁸ There I hide from pain and it is just He and I. He cloaks me from turmoil and teaches me patience, He anoints me with wisdom. Wisdom to not stray from Him. ⁹ He gives me wisdom to stay with him and watch folly pass us and not see us.

¹⁰ I am protected. For His presence (essence) is a shield upon which I cannot be harmed, a space where none can be moved. ¹¹ I will remain here, hiding from troubles. As time speeds away, I will rest in His arms amongst His mountains, wind afoot.

2 How shall I liken THE LORD's guide? I can not! Even His shadow is more perfect than the most perfect place. None can stand near Him!

² His spirit is not His twin, but He Himself, living simultaneously in two places, seeing and feeling both perspectives at the same time! Who can stand with him?!

³ What better place to sit in wait for harm to pass, and harmers' plight than in His bosom.

⁴ I will not perish! As His servant, I will learn the way that each day brings me closer to Him. So that one day I may be aligned with His accord and find favor from Him; face to face. ⁵ For Him to be proud of me is what my heart seeks.

⁶ THE LORD hears me, He takes me to the banks of the water and comforts me, restoring me from my ailments. ⁷ He keeps me in His hands, protecting me from harm and healing me of my afflictions. ⁸ He gives me structure and purpose, through His wisdom, He gives me a patient way to live. ⁹ I will thank Him with all my heart and all my strength so that He knows I petition to be close to Him. ¹⁰ I will not turn to my own understanding, for what do I know? I will learn from Him who knows where I will be today, tomorrow and forever. ¹¹ For I fell into a hole relying on what I thought I knew, yet in that place He protected me and salvaged my sanity, allowing me to see the differences of my reproach, retreat, and approach

¹² He removes my affirmatives and replaces them with joy, patience, peace, tranquility, humility, and wisdom. ¹³ There is splendor in my waking knowing that HE is near Me.

¹⁴ THE LORD disciplines me fairly, unlike those of Earth. THE LORD disciplines me to protect and guide me. Men discipline me to punish me and destroy me. JUST IS OUR LORD! JUST IS HIS HAND!

3 I dare not open my mouth, for my words are fleeting and there is no substance in them. I long to hear the words of my LORD, though I do not deserve to hear them. But if I can seep a tittle of the soot of his proclamations, I will live forever.

² My days were numbered at the foundation of the Earth and yet I know if I can etch myself closer to Him each day, those days will be

exalted. ³ For He Loves all, though extends favor to those who wish to add to the time they abide with Him. If I can set my way to give Him more and more time to him, so will he allot me.

⁴ I will exalt THE LORD with all my mind, for HE and HE alone knows what to do with me. And HE and HE ALONE knows what HE will do with me.

⁵ THE LORD stands with me. HE holds me up when I am weak, His powerful arm not allowing me to slumber or sink but actually suspends me higher than I stand at full stature.

⁶ The more I write of HIM the more I feel closer to HIM liken to the signing of a will.

⁷ When all else fails, He is still there with me, reminding me, everything is OK and He loves me still so much and will never leave me.

⁸ I will trust his decision and way for me wherever HE takes me, I have solace for HE is with me! ⁹ Like a tooth of wheat bathed in an everflowing strong wind, he soaks me in His wisdom and His love. ¹⁰ I will wait with THE LORD, for as long as HE is with me none shall I fear, and HE is with me until HE carries me again and again to new places of His choosing.

4 LORD, I have been humbled, please remove me from those who wish to remove me from the grasp!

² I will receive whatever you give me with gladness, whether punishment or reward, either from you is blessed!

³ When I am proud I stumble, please O' LORD, keep me humble and steadfast in your way. ⁴ When all else fails I will follow you, even to the end of the earth, even to the end of the age. ⁵ For what is freedom, if it is not planted in your way, it is harm none the likened, and danger will abound, abundant the likes of which can not be controlled by man.

⁶ I will cuddle in HIS grasp cupped tight in times of trouble, as a baby in his mother's womb, clinging tighter the safer I become. ⁷ O' but an emptied vessel is one's spirit if their heart is not free!

⁸ Though it exists, the burden to bear our LORD is light, yet it too in itself is a blessing.

⁹ I will honor THE LORD with my hands and in due season He will reward me. ¹⁰ For His redirecting is just, His discipline is deserving, his molding is pure, his forgiveness is comforting and his love is compelling.

¹¹ Build yourselves then honor in his eyes, making Him proud more and more, his cup will overflow, and he will pay you his gratitude. ¹² The payment will be enormous + concluding, with a headpiece of eternal life.

5 O' how can I liken THE LORD? I surely cannot!!!

² Imagine a place where everything is remarkable, and your ears ring with overflowing love..., and that is just when he is looking upon you. Imagine when HE is near you! Imagine when He is resting upon you!!! O' how great! I only know his closeness, not his presence. For I cannot liken when it is him! Surely I cannot!!!

³ The trap was set for this sheep. I fell into the hole. The Shepherd came and lifted me out of the hole. THE LORD tended my wounds from the fall. He Taught me wisdom to walk more carefully, so that I do not, slip, stumble or fall into a pit again.

⁴ Now I will thank HIM all the day long, for HE has shown me the way how to patiently walk.

⁵ For no sheep should outpace his shepherd, and no servant should overstep his LORD. ⁶ Yet HE has made HIS servant His friend, though He still LORD over him, as a father doth His son. ⁷ O' How gracious is our LORD, tremendous is His plight!!! ⁸ I will look to Him for comfort, when none can be found abound.

⁹ Everything is fleeting except THE LORD, but He will give you a place where you too can last, if you humbly come to HIM and request.

¹⁰ Rest in HIS word and you will find comfort, abide in HIS word and you will find THAT which cannot be taken or lost.

¹¹ Do not question THE LORD, simply accept the pathway He has chosen for you. For every pathway leads to a path which leads to The Way, (The correct Way).

6 Rest not on what you are taught, but rest on what you believe, for what you believe leads you closer to THE ONLY ONE who can teach you, THE LORD!

² THE LORD is the same being, living in 3 places simultaneously or more if he chooses, seeing and feeling all 3 perspectives all together at once. Who can stand with HIM?!! NO ONE! ³ How then can we with our feeble minds attempt to understand or even question HIS choices. It is a violation and a disrespect to Him to consider or even worse attempt to do so.

⁴ Thank you for protecting and loving me LORD, though I am without merit. ⁵ HIS reproach and reprise go unanswered, HIS vengeance without response. For HE can devise a reckoning greater than only one's demise.

⁶ I will exalt HIM at all times, for HE is the most high giving life to all who seek it.

⁷ In HIS arms is everything one can muster. Who could touch you? Who can remove you? Who can make you afraid? None!

⁸ HE is all mine. I will go to HIM in good times and I will go to HIM when issues arise. I will talk with HIM and ask HIM what to do, and HE, THE LORD, will guide me. ⁹ HE knows what comes at me and HE places me in places where I am harmed the least. For I would be in death's sleep seventeen times over if HE DID NOT.

¹⁰ Why do you save me O' LORD. What can this man do for you? How could I possibly benefit you? Please show me THE WAY to benefit you LORD. ¹¹ I long in my heart to be of assistance my LORD, to do the things that build you up. Teach me O' LORD that I may learn through your wisdom to not take of your kingdom, but build your kingdom up.

¹² Prepare THE WAY for me LORD as I gather the patience, strength and humility to perform it.

7 U have the right to take away what u don't like of me and leave what you do. For was it not all yours from the beginning? So I cannot judge your want. ² For your want is indeed my want because it is what's best for me.

³ Priceless are your decisions, specifically the ones that pertain to me, for they proceedeth from the framework of THE FATHER. They are just and holy. ⁴ Lowly u help me become, just by sitting near the power of your presence, I will trust u, O' LORD.

⁵ Seek THE LORD first so that all things may be made less difficult for you. Once you find HIM, he will make your burden light and quite comfortable to bear.

⁶ Don't worry about tomorrow, instead be careful about today, for only THE LORD knows what either holds, so let HIM prepare you with HIS wisdom for the best outcomes of both.

⁷ Be careful who you walk with, for not even the closest to you seeks to walk the same path you do, most wish to take a direction in which you do not lead. It is important to know the difference.

⁸ Do not force what is Holy on ones who do not wish to receive it, they do things to thrust it not only away from themselves, but also from you. ⁹ Simply pray for them and watch at a far distance and time will tell if they will tire and choose THE WAY. Prayer in this case is best than intervention.

¹⁰ Ask for THE WAY and it will be opened to you. For THE LORD is molding you, and every work of HIS hand is precious, delicate and time consuming, so pray for patience.

Chapter 8 is missing.

9 Do not take pleasure in destroying things that THE LORD has created. If you must terminate, do so quietly and sadly, fully opposite to the joy our LORD had creating them.

² Be strong and stay focused, days will get brighter, but now that they are darker, make your preparations, so the sun will shine clearly in and will never again dim.

³ Patience is not as difficult as it seems, its twin is wisdom. Keep them both and use one more if the other lowers, but to balance them and

take your fill of both is to control THE WAY and control your favor from THE LORD.

⁴ We are not our own. We belong to THE LORD. He created us. Without Him I would be nothing. As a result I must bear the burden of HIS WAY. It is not a heavy burden, but it is a persistent burden, never going away. We however owe HIM the persistence because HE has granted us eternal life with HIM. Besides the burden is light and not difficult. It only requires patience, wisdom and persistence.

⁵ There will never be a friend with you like THE LORD HE will love you when all have turned from you and ceased loving you. ⁶ HIS love travels through all concepts of time and space, for he knew when and why to create you, where exactly to keep you while on earth and where exactly you to maintain you in the age of eternity.

10 After you have worked hard to build a massive man-made lake, and you have spent your last filling it with tons of fish, it is a BLESSING if THE LORD comes and removes all the fish from your lake. You no longer have any income and you have a worthless lake and no money. All would call it a curse, but no it is a blessing because you have been blessed to see the difference, and it is also a blessing because now you have a legitimate argument with THE LORD for all the fish lost with no income. This is a fair argument at Judgment Day as well. THE LORD only gives arguments to those HE favors. And who knows, it may turn out to be a double blessing because THE LORD may, in this life, fill your lake back up with fish again and your good income will resume and it will be a blessing here. It will also be a blessing because the loss of your life time will be a fair argument on the Day of Judgment, for guaranteed entry into Heaven, making your loss a double blessing. THE LORD favors you and has shown you great favor in your loss, in this lifetime and the eternal one to come.

11 Do not be afraid to lose the thing you love the most. For if it is lost only if it is THE LORD's PLAN for it to be lost. Though you are

saddened for the thing you love that you have lost, that you invested so much in, and you worked so hard to keep, THE LORD knows these things from your heart. Thus when HE takes it from you, trust HIM. There is a reason you do not understand, that only HE does, why HE is taking it from you. HE will keep it safe and secure and in time you will learn to live without it. And in time, HE may give it back or HE will give you something even greater. Either way your path is your blessing, in THE LORD's eyes you will now be held tighter and closer to HIM, ongoing, in HIS arms.

² Trust in THE LORD. Rest on him. Make your bed upon HIM. Rest in HIM. HE is your refuge. HE is the peace of the ocean. HE is the breeze that constantly glides above the sea. HE is the refreshing calm that you feel and smell when you get closer to the waters of the ocean.

³ He will never forget you. He will never forsake you. ⁴ He protects us and lightly judges us. o' how fair is our LORD. O' how merciful is our LORD, for none is more merciful than of THE LORD of hosts. ⁵ He gives us time and space to learn how to love Him, how to respect Him, and how to be his friend and moreover THE LORD does not force any of these on us, giving us the wisdom + space to do these on our own.

12 Be obedient and respectful to THE LORD just as you would like your children to be obedient and respectful to you, and just like you will bless them if they are obedient + respectful, so will GOD bless you if you are obedient and respectful to Him. ² He is as a flow of water which goes upstream not downstream, unnatural and supernatural in every sense of the words.

³ Do not hurt your brother or transgress against your brother. For if you do it is the same as someone hurting your child or transgressing against your child because your brother is our LORD's child. So if someone were to hurt your child, the same measure of vengeance you would want on them who hurt your child, might not THE LORD want the same vengeance on you if you hurt his child? Therefore think of your brother

with the same love as your child and give your brother the same love that you give your child. And remember still, u also are our LORD's child so u too are protected from your brother, but still be obedient + respectful to your father GOD LORD.

⁴ THE LORD will keep you grounded in Him only if you ask Him. For it is imperative to find favor in Him. This can be achieved through persistent patience and reading daily in His word as well as constant and/or daily prayer to Him. If you stay in Him He will open your eyes to new revelations that are only reserved for The Elect.

13 THE LORD will keep you in peace and tranquility inside of Him and all you have to do is talk to Him every day.

² The more you master wisdom, the closer a friend of THE LORD you become.

³ Bless those who curse you and pray for the blessings of those who wish to harm you. Even pray that those who wish to harm you have more blessings than yourself. For THE LORD will reward you without end if you ask him to reward those more who are opposed of you, are offended by you, and hate you For the doctrines, teachings, and blessings of THE LORD are the opposite of those of man.

⁴ THE LORD will give you a sign that He hears you each time you talk to Him, the closer you get to Him.

⁵ THE LORD's name is Jealous and Jehovah and I AM as stated in the Judaic book of law so the only way to please jealous is to submit to Him fully in His way He has made for you. ⁶ As for me, I will forever belong to the will and way of THE LORD, for He perfectly made the # of all the first born males of Israel perfectly equal to the # of all males born under Jacob's son Levi (the father of Moses + Aaron), so that the sons of Levi may replace all the first born sons of Israel as priests, so that no first born son of Israel for the # of THE LORD each 22,273 sons and then perfectly the same by The Lord built the tabernacle at will the same day.

14 What can move THE LORD? Who can withstand His powerful hand?

² Behold the glory of THE LORD! For He coasts magnificently by the water banks and then moves vehemently through the plains and prairies, behold the valor of our GOD! For none can stand with Him, for only he stands without ceasing and never tires. Behold the power of our GOD!

³ Our LORD will hold you tight and he will comfort you. He will cuddle you to rest in the evening, and tell you everything will be fine. He will tell you that He will never leave you, no matter where you two travel.

⁴ I will bask in your arms during my trials, for your tribulations prove you love and favor me, for my tribulations are of a different protocol. A heavenly protocol. ⁵ For generally you give me the best and seldomly u give me the worst and seldom more do u give me anything in between so I am thankful for the forgiver, the latter and the middles all are blessings as they come from you my LORD.

⁶ Your grace covers me when I beseech you but your love pursues me without recourse or cause. ⁷ Without hesitation you console me, without neglect you protect me.

15 As do the angels, I am afraid of the Lord, and I must do what he says with all my soul. ² He keeps me where only he can talk to me, places where only he can comfort me, places where only he can administer to me, places where only he can protect me.

³ I will fear the Lord all my days, until that day in which he chooses to move me near to his abode, till then I will remain where he needs me. ⁴ No greater friend is there than the Lord, for he treats me justly, but I am not allowed to see his face. ⁵ Whatever he ask of me I must do, for my communion with him is power, and my obedience to him is wisdom and strength.

⁶ The enemies of the Lord are not received, they are an accursed to be follied will by the valor of His elect.

⁷ There is no better place to rest than the spirit of the Lord, for there none can encumber and

none are allowed to enter after you, unless the Lord wills, for there is your resting place where the Lord grants you tranquility and bliss.

16 When I am weary, THE LORD comes and checks on me. I am humbled that HE takes time out to see about me.

² Do nothing else when you pray, give THE LORD all of your attention and HE will give you all of his grace.

³ Do not test THE LORD but find faith in him and allow Him the opportunity to show to you that He is your GOD in times of need, for to Him your "big" need is small and once he has completed it, how much more will you believe?

⁴ I will engulf myself in THE LORD, for He is ALL I need. All other things are futile.

⁵ Peace we sacrifice and unnecessary pain we receive when we don't tell THE LORD everything that we need Him to please do for us.

⁶ Fill me with your wisdom my LORD so that I may be consumed with in your love, peace and tranquility.

⁷ THE LORD puts us where we are needed most, and though sometimes it may be uncomfortable, he will protect you, and he favors you for your sacrifice.

⁸ I will say my daily prayers to THE LORD, God of Israel FOREVER, for his spirit is separate from him as is His son, all 3 LORDS I LOVE and all 3 Lords I am afraid of.

...Enoch | Luke 16 | Jude* | Himalayan Pink Salt
Sheol | ***Deuteronomy 30-32:8
Sons of God - Angel | Lamentations 3:33
Jeremiah 23 | Psalm 92 | ... | Ezekiel 34

17 Nothing amazes THE LORD, but everything amazes man.

² None is stronger than THE LORD, in all of ISRAEL, Assyria, Samaria, Lebanon or Judah.

³ Angels, the sons of GOD, and the sons of man are all his footstool and the new Earth is His armrest + all the universes are His throne.

⁴ He is bountiful in mercy, than is none more merciful than our LORD GOD.

⁵ When THE LORD is with you, no one can deny your power and no one can stand against you.

⁶ THE LORD created you for himself, an intimate toy that only he can and will maintain throughout the ages, so it is important to be the best piece you can be and He will be entertained by you and you will be favored by HIM.

⁷ Be careful where you place Holy Things, + what touches those Holy Things for God abides in the things in your abode that are most Holy and let nothing touch them to defile them.

⁸ Concentrate on the simple things in life, the little things we take for granted, these in itself are a full life's taking, and these things will keep you in GOD's grasp and safe from THE EVIL. ⁹ Stay as close as u can to GOD, for HE is a house of refuge.

18 Only GOD can teach a man how to truly be a man. For He is more than just a man.

² Prayer is the instant way to show THE LORD you love Him. The more you pray, the more you give Him your deepest LOVE. We were created solely for this purpose, to worship Him by loving Him.

³ I love THE LORD with all my heart. For He has been kind to me as a shepherd to his sheep. And He has been merciful unto me, as the close friend I have always longed for.

⁴ U humble yourself when you pray, and this was the purpose of our creation, to bring to THE LORD praise, to show Him that we exist only to worship Him and depend solely on Him.

⁵ Give assistance and sympathy to those who are more needy, and THE LORD will bless you equally as greatly.

⁶ Prayer entertains THE LORD and we were created to entertain Him. Like a king's subjects, our purpose is to conduct ourselves according to His kingdom and show we are in His approval through praise and prayer, His entertainment. ⁷

For our prayer keep His days fully occupied and His Days not as eventful. ⁸ It is only our prayers that give us purpose in THE LORD's eyes.

19 Prayer is a form of praising GOD, for the more you pray to Him, indeed the more you praise Him.

² We are THE LORD's children and like any FATHER or mother, the child of the children reaches out more and extends for counsel most, receives much favor. ³ This would suffice to say that those of us who pray more to Him receives more favor from Him and created for himself an opportunity to magnify that grace by THE LORD offering him more time, ability and accessibility to pray even more. ⁴ Therefore extend your daily prayer to THE LORD, for GOD enjoys every syllable.

⁵ O' what worth would humans be without prayer? For GOD even hears each word and thought which proceedeth from all the ants of the world's antennas, answering each of their prayers individually.

⁶ As THE LORD's child, you are exalted above all earthly power or control. So nothing in his life shall you fear.

⁷ Love your enemies and pray for your enemies, for you were once enemies of GOD, therefore love THE LORD our GOD and pray to and even pray for our GOD. For even THE LORD rested on the seventh day and what better is prayer for a laborer during his day's rest.

20 What you truly want deepest in your heart, The Lord will give you in due season after you have worked very hard for it. That way you will cherish it and thank Him forever for it. For if He does not make you work hard for it, you will love it for a season, and trash it the next, then with nothing left will turn spiritually with anger towards your GOD as an enraged animal preparing to attack the hand that feeds you! For you will not appreciate what you did not work hard for. Therefore you must and will always work the hardest, for what you want the most.

² At some point in your life, THE LORD will demand the very best from you, generally at the half point of your life. You must answer the call because GOD is needing you to do so, so he can make some very significant, world altering moves, and only you can birth these moves by answering the call. 99.99% do not answer the call and finish life into mediocrity.

³ Forgiveness clears the path for GOD to avenge you. His revenge is the most potent, His vengeance is more destructive than anything you can imagine or muster. ⁴ So let your forgiveness be pure. Think not to receive a blessing and send a curse for your forgiveness, but indeed the contrary, look to forgive in it's purest right, to help, secure and save your brother.

21 The most difficult prayers are the most blessed, praying that your enemies is loved more by THE LORD than THE LORD loves yourself.

² When you wake in the morning, think what you will do for THE LORD today, think not what you will do for just you.

³ There are 77 tasks of priesthood (Godliness) one must do (77/tasks of Priesthood) in order to reach ascension. Each 7 tasks acts completed takes you to the next level of priesthood. There are 9 levels of priesthood. Level 3 Minister, Level 2 Minister, Level 1 Minister, Level 3 Priest, Level 2 Priest, Level 1 Priest, Level 3 Prophet, Level 2 Prophet, Level 1 Prophet, Son of God Prophet, then lastly Song of Man level. Ask your preacher, minister, or priest to help you with your 1st tasks of priesthood if you do not know what your 1st task is. Once you have completed your 1st task of priesthood, your minister, your preacher, priest, or THE LORD will direct you where to find your 2nd task of priesthood. Completing your 1st 7 acts will take you to level 2 minister and so forth to finally ascension or the 77 tasks which is the 7th task of a son of man prophet.

⁴ If a task proves to be too difficult, for example, a request to complete a 40 day fast, that task can be moved to the 77th position, then the next too difficult to the 76th position and so forth.

22 For the love of THE LORD do not count your life dear to yourself, for he has blessed you with more than just earthly breaths, but eternal bliss through eternal life of your spirit.

² A preacher, minister, priest or prophet, whichever you are, does not involve him or herself in politics. For they let God decide which way, He, THE LORD, wishes to take the world.

³ By vehemently seeking GOD, THE LORD will show you that you are already what you wish to become.

⁴ Allow THE LORD to enrich your spirit and suppress self-centeredness.

⁵ THE LORD does not want anything from us but for us to sit down and let THE LORD control us.

⁶ To master one's self is to determine what you, the servant of your master GOD needs you to do for him daily.

⁷ Finding what is required of you is not difficult, What is difficult is completing the task everyday, yet prayer to THE LORD to make lighter circumstances around completing your daily task is what will make what GOD requires of you simple.

⁸ THE LORD will contend who contends with you and THE LORD will save your children.

23 Offer a prayer of thanksgiving daily to THE LORD for by doing so you honor GOD. ² When you honor, praise, and pray to THE LORD you are paying off the debt of the incalculable price for your eternal life which GOD has given you for free, so pay Him as much as you can with respect and love for this unwarranted gift of life no human ever born is deserving of.

³ Prayer plugs you into THE LORD, the eternal and all-powerful battery, as a way of charging our spirit.

⁴ Every second of life is a gift from THE LORD which must not ever be ignored and can not be altered but by GOD Himself.

⁵ What is to be yours from THE LORD will reach you, even from the deepest cave of the deepest abyss of the deepest ocean. What is not to

be yours will not reach you, even if it is in the highest cavity of your nostrils.

⁶ Remain wise, patient, humble all keeping you flexible with THE LORD, so if trials or tests come, you will never be beat backwards or bent out of shape.

⁷ Surrender to THE LORD GOD and trust Him and do no resist Him nor judge His outcomes with you therewith.

24 Bring attention to yourself the places in you which struggle to rely on THE LORD, then through a daily prayer ask Him to step in and take over those places, that you wish to rely on Him in those places and in everything.

² Faith is God, His angels, His Bible, His prophets, His ministers, His priests, His people (the children of Abraham, the children of Jacob A.K.A. Israel, the people of Israel), His son, His last day (The Last Day), and His first day of eternity. Faith is omega and alpha, the beginning + the end.

³ Faith is not just the unseen, faith is the unbelievable, faith is events that are impossible, faith is the Bible, faith is our LORD.

⁴ Faith = grace (GOD's favor) + (gratitude to GOD x Wisdom) .

⁵ (Wisdom x thankfulness to GOD) + GOD's favor = Faith Amount.

⁶ THE LORD helps and guides to Himself any who turn to Him, so turn to Him and never look back, you are now on a one direction trip to Him and every second brings you closer to Him and His favor.

⁷ Submit faithfully to GOD saying "you, THE LORD, is enough for me. In you I put my faith and trust." ⁸ The deeper in your heart you trust THE LORD more, the more your faith grows and the faster it grows therewith.

⁹ Do not say you love THE LORD unless you will not refuse what he ask of you to do. ¹⁰ Your faith anchors you in the protection and safety of THE LORD.

25 Your faith is the words of your heart brought out by the verification of things not seen and without proof, followed by the actions of your body and the actions of your spirit.

² THE LORD sees you, though you don't see Him, He is looking at you now, and if you pray to GOD, think of Him or speak of Him, THE LORD is less than an arms length away from you, GOD is then within your reach, THE LORD is then within your grasp.

³ Praise GOD + pray to the lord as if you see Him. For though you do not see Him, you know that you see Him and you know He sees you too.

⁴ Be GOD-conscious in all that you do and you will be blessed and favored of THE LORD.

⁵ Through your prayers, respect and remembrance, constantly turn to THE LORD for guidance, patience, and wisdom.

⁶ All things are open to the eyes of THE LORD, whom we all one day must bow to then deal with.

⁷ In the death of those who love GOD, THE LORD promises eternity with Him.

⁸ Death no longer has it's sting, and as for me, I will be satisfied when I awaken near my LORD.

⁹ Take refuge in THE LORD for in the caves of His soul is the safety of all time and space and in the caverns of His spirit you will find the secrets of the universe.

26 I will pray to you everyday my LORD, I will praise you everyday my GOD, even to the ceiling of the universe even to the bottom of the abyss of Sheol.

² THE LORD will never abandon you because you seek Him daily through your prayer and praise to Him, Lo' he is there next to you constantly, 24 hours a day.

³ Worship THE LORD out of gratitude, fear and love.

⁴ Ask THE LORD to help you be faithful, humble and kind as you walk the way, the path GOD has paved for you.

⁵ Do not find joy in other people's hurt, instead find pain in their sorrow.

⁶ The faithful will see THE LORD's face.

⁷ Pray to THE LORD and praise THE LORD because GOD is keeping you in the safety you long for, as your daily prayer is your shield.

⁸ THE LORD is a shield housing eternal refuge, come now and find rest in Him, for there is no greater peace and stillness than in THE LORD GOD of graces.

⁹ Place all your concerns on THE LORD, for you are His #1 concern and #1 priority.

¹⁰ You cannot see THE LORD yet THE LORD made everything that you can see, therefore only GOD is real and everything else in the universe is partial and temporal.

¹¹ Pray thee THE LORD for humility for GOD teaches the humble His Way.

¹² The secrets of THE LORD are for those who ¹³ Give thanks to THE LORD GOD of host for everything, forever!

27 Pray to THE LORD daily and GOD will hide you in safety and comfort and grace in his secret places, far away from the follies of man.

² The eyes of THE LORD remain on those who love Him.

³ Take for yourself refuge in the shadows of THE LORD's angelic wings and the undertow of His flight, for to be carried by Him is to rest in favor throughout the ages.

⁴ Ask THE LORD daily to remember you, His companion.

⁵ Ask THE LORD daily for humility, for the humble is first that He teaches THE WAY.

⁶ Hide me in the secret place of your bosom, away from the treacheries and conspiracies of man.

⁷ Commit your way to GOD and THE LORD will give to you the keys of the universe, commit your prayer to THE LORD and GOD will open to you the doors of space and time but praise GOD vehemently and in time THE LORD will show you His face. ⁸ Trust in GOD and THE LORD will trust in you.

⁹ Establish your steps in THE LORD and THE LORD will delight in your coming and going and THE LORD will enjoy and be entertained by the direction of your way.

¹⁰ As for u, let THE LORD uphold you, for even now GOD has placed you in His presence forever.

Psalm 78

28 One who minds his words has knowledge but one who holds his words has wisdom.

² An intelligent person considers his words as an understanding person maintains a calm spirit.

³ Rebuke a fool and u him will hate, reproach a wise man and u him will love.

⁴ Be wiser by praying for + receiving more instruction from THE LORD which will make you wisest.

⁵ Love GOD and fear THE LORD and you have tapped into the fundamentals of powerful wisdom.

⁶ THE LORD's favor is better than life, it is eternal life yet through praise, prayer, love and fear of him can you find his grace, mercy and lo', his favor.

⁷ We were created to worship THE LORD and love GOD, nothing more, and anything we are given in this life are unwarranted + undeserved gifts (blessings) from GOD LORD.

⁸ Daily prayer is a way of recounting to THE LORD and yourself that you know LORD GOD is always right next to you and He never leaves from there.

⁹ Conversation with THE LORD (prayer) is the main and most important purpose of our life.

¹⁰ Gratitude to THE LORD (praise and worship) is the 2nd purpose of our life and the 2nd most important purpose of our life.

¹¹ The key to the door of Heaven is daily an all-incluse prayer.

29 Find meekness, for with it you will hide in LORD GOD's bosom, and none will be able to touch you, harm you or find you.

² Find wisdom, for with it you will rest in GOD LORD's home, and none will be able to remove you from Him nor unkindle His anger towards them, for each of their attempts to take you from Him will further provoke His wrath towards them and evoke His vengeance upon them.

³ Be careful not to provoke THE LORD to jealousy with things that are not GOD, and things that are not even nearly GOD.

⁴ Do not make things better than GOD to you, or THE LORD will make those same things better to Him than you.

⁵ GOD knows what you need before you pray for it, and he has heard your prayer long before you have sent it.

⁶ THE LORD is the greatest king of all time, His name will be feared, respected and revered!

⁷ It is important that you let THE LORD know everyday that you love Him and that you are in awe of Him, for none of us should have one thing we have been given by GOD LORD.

⁸ Success for the day is not determined by the amount of accomplishments the day brought you, success for the day is defined by the summation and fullness of the day's prayer.

30 Do not use the very blessings that THE LORD he's given you as tools of apostasy. They will only provoke GOD LORD to anger and become curses unto you instead of blessings.

² Gratitude is the pre-requirement for love of GOD, love is the prerequisite for faith in THE LORD, faith is the pre-requirement for the fear of GOD.

³ LORD GOD blesses us with life every second so it is essential we remember Him all throughout the day.

⁴ THE LORD is everywhere, all the time forever, so GOD is next to you right now and simultaneously inside you right now, now and forevermore.

⁵ Prayer is never a mandatory obligation for if you have the capacity to pray then you are blessed and your prayer ability is a blessing and you give

it to THE LORD as gratitude for His grace and favor.

⁶ THE LORD knows all of your thoughts and knows your prayers before you pray them so ask Him what it is you truly need and tell Him what is really in your heart and He will answer your prayer, for He never ceases hearing all your prayers and requests.

⁷ Talk to THE LORD daily and He will give you the answers to the questions that you desire to be answered.

31 The fear of The LORD is the starting point of wisdom.

² Bless those who hurt you and persecute you. Bless your enemies. For if you bless others will the LORD not bless you. ³ Pray for those who wish harm on you, for THE LORD will know that you really care for ALL others and His grace will shine upon you.

⁴ There is no greater love than to have one who hates you as a friend, to love one who despises you as a family member and to love an enemy as much as you love a parent or even your child, for if you can love like this, then you have mastered this world and conquered all that is unattainable in this life, for then you love as THE LORD loves.

⁵ Every decision THE LORD makes for us is to bring us closer to HIM. Be wise and Bless Him in all things for this is a way to show him you love Him as much as He Loves you.

⁶ Tell THE LORD all that you must tell Him and he will listen and he will understand and he will help you and he will give you grace and strength.

* Genesis 4:3 Master temptation and sin
I have no verse today just (3) profound questions.

* It seems as if the 40 day fast (though very dangerous) is the bottleneck threshold for all prophets who wish, at some point, to be taken by God.

(1) Moses did a 40 day fast (on a mountain (Mount Sinai)) and God appeared to him

visibly, as the first man to ever see GOD. He was taken by GOD at the time of his passing as no one knows where Moses was buried as he probably was not buried but taken by GOD (for GOD buried Moses/Deuteronomy 34:6)

Moses would later show up as his own recognizable spirit to Jesus on a different mountain (Matthew 17:3)

(2) Elijah did a 40 day fast on Mount Horeb, with the knowledge that Moses did a 40 day fast and Moses was able to talk directly to GOD after Moses's fast Elijah pulled off his 40 day fast and was then able to speak directly to GOD in a cave after the 40th day (1 Kings 19:9) By completing the fast He (elijah) guaranteed himself a one way pick up ticket to GOD. The cool thing about it was once he pulled off the fast, the Prophets forecast his departure to Elijah before Elijah knew he would be being picked up, giving Elijah the good news of his pending departure (2 Kings 2:3). Elijah too would show up as his own recognizable spirit to Jesus with Moses (Matthew 17:3)

(3) Jesus completed his 40 day fast and guaranteed his departure ticket to GOD (Matthew 4:2). He would later also be taken by GOD (Luke 24:51)

* Question:

(1) Is the 40 day fast the guaranteed way for prophets like me and you to be taken by GOD or is there something in addition that must be done to the fast?

(2) If I do the 40 day fast with multiple Ibuprofen, biblically, will the Ibuprofen ruin the intent and/or results of the fast?

(3) Will Ibuprofen ruin the outcome of the 40 day fast?

(seems like doing fast with ibuprofen is an advanced, futuristic way of doing the fast)

(1) Excellent Questions but I never considered

the 40 day fast as a ticket to see the King

Ex 34... I will be gracious to whom I will...

and will show mercy to whom I will show mercy...

YHWH ALONE does the picking and choosing.

Absent an invite and an assignment to fast for

40 days I personally do not see it as a key to the King

(2)((3)) The problem w/ Pharmakia is that Pharmakia is the Greek word for sorcery: Encantations, concoctions potions, mixtures and sorcery is a major SIN. way too much to speak about for this than paper will allow, but ANY kind of sin is going to VOID any kind of closer relationship w/ the King

To straighten my act I looked at the "one-liners"

that the King said he liked and try to do those

Job I Blameless + upright fear God shun evil

(you can add) do justly love mercy provide for

the poor, the widows, the orphans + those in prison.

Examples: Psalm 82, 2 Sam 8:15, 2 Chron 16:9 etc

There is a verse I could not find where a king is admonished for living in a cedar house when his Father did justly + looked out for the poor and YHWH says it was well with him and "Isn't this to know me?"

Read the law in Moses + try to be in full compliance

when you have done it to the least of these you

have done it to me – Jesus

Dt 21:11-15 A man may have more than
1 wife but there are stipulations

I could not comment on the area of sex slaves,
concubines, etc. as I just do not understand
the provision or the differences

In the sin w/ Bathsheba David was told if he
needed more wives he would have been given them.

In order to "master" sin you need to know
what sin is and be able to recognize it
in the field.

Sin is any want (lack of) of conformity to or
transgression of the law of God.

This means ALL of Exodus 20-23, Leviticus,
Numbers, + Deuteronomy + All are still valid despite
what our freemason pastors tell us about the cross.

When you make an effort to stop sin you WILL
get tested ex: Remember the Sabbath day (No labor)
make a commitment to not work on sabbath and
opportunities will roll in to make double/triple if you work.
This is a test of your commitment. Will you sacrifice
\$fiat currency or credit to obey the king?

behold to obey is better than sacrifice

Revisit of yesterday's question in a little more detail. Thanks
 Genesis 4:7 - "Sin is lurking at the door, ...but
 you must master it."

*How can we master sin? Can we make a covenant
 with GOD that excludes us from certain sins as long
 as we keep the superceeding covenant with GOD?
 *Solomon had 1000 wives. His sexual needs were met
 in thousands of ways and yet he still allowed his wives to
 make idol alters and he himself made some of them.

(1) If he did not allow for the idolatry, he would not
 have sinned against GOD? Correct
 (2) We are only allowed to have 1 wife so many men
 act out (and commit sin looking) for the 999. Is that fair??
 (3) Can sin be mastered by making a covenant to GOD
 to only have 1000 Girlfriends and do not go
 outside of those 1000 Girlfriends?
 Seems fair to me? Solomon got to do it?
 Is this mastering sin?

Covenants + Vows are scary to me. A covenant
 is not just a contract as we know it and the
 failure to fulfill a vow is a debt I cannot afford
 I don't even make "promises". My yes is yes, no is no

I look at what is sin and try to avoid sinning
 And it is a SERIOUS conscious continuous effect
 David was a master but sinned. Moses a master but...

1 Kings 22

Ahab - King of Israel - the 10 northern tribes
also known as Ephraim the strongest northern tribes
Ahab was an evil king who departed from following
YHWH (the LORD) and His commandments. Ahab
served idols, pagan gods, + sacrificed children.
It was prophesied to destroy him and his sons
and to cast the northern tribes (Israel) out of the
land. They were cast out and nobody saw
YHWH knows where they are even today.

Jehoshaphat - King of Judah - the 2 southern tribes
Benjamin + Judah were preserved by YHWH for
His name + the promise to King David to have
a man on the throne forever. Today that is Jesus
Jehoshaphat was a good king that followed YHWH.

1 Kings 22:19-23 A lying spirit in the mouth to cause disaster.

YHWH does not cause "evil" just to be mean like Satan
in the story of Job.

YHWH will and does allow "evil" to punish man for
transgressions. By removing the hedge of protection
that surrounds us when we are obedient to His laws
"evil" can get in and get us "wet" like walking
outside without an umbrella when it is raining.

Very short synopsis I hope this helps

1 Samuel 18:10

10. Now it came about on the next day that
an evil spirit from GOD rushed upon Saul,
and he raved in the midst of the house while
David was playing the harp with his hand, as usual,
and a spear was in Saul's hand

*Can you please explain evil spirit from GOD if
GOD can only be good, or can GOD abide us evil
too if he wishes?

See 1 Kings 22 on the back

YHWH does not do evil for sport or fun but allows it to punish transgressions
Genesis 4:7 - "sin is lurking at the door, ...but
you must master it".

(I do not understand this 2nd request remove ALL sin as best you can)

*How can we master sin? Can we make a covenant
with GOD that excludes certain sins as long as we
have a passive covenant with GOD that superceeds the sin.
You master sin by obedience. Sincere + total
obedience. A constant searching for how sin is
going to pounce on us next and preparing to avoid
that attack. It is easy to say I will eat no more pork.
But when they sneak bacon in your beans you are tricked
into eating that which YHWH told you not to eat.
Even beef sausage has pork casing as a trick.
Sin is very sneaky and does not sleep trying
to trick you + make you fall.

1 Samuel 18:10

(10.) Now it came about on the next day that
an evil spirit from God rushed upon Saul,
and he raved in the midst of the house
while David was playing the harp with his hand.
as usual and a spear was in Saul's hand

Man, I was wondering what happened but
I figure it is another mans business so I try to
stay out + keep my mouth shut.
Exodus 23:1,2,+7 + something in Proverbs about dogs ears
Deuteronomy 17:6 Also applies to rising up
against a man for any iniquity requires 2 witnesses
Deut 19:15 2,3 witness required for anything
Dt 19:16-21 false witness, malicious witness
Leviticus 19:16-19 No slander
Levi 19:32 Stand up before gray hair ...FYI

There are a few proverbs about getting in other
peoples business so I try to stay neutral.
Especially if the claim does not have authentication
or the required 2-3 witnesses.

Reading the laws from Ex 20-23 helps me
with my conduct. The whole of Deuteronomy
helps. Leviticus + Numbers you have to sort
through to get the laws that are not sacrificial.

Prophecy today: Dt 4:29 seek the LORD
Dt 4:25-40 Regather
Dt 30:1-20 Return + Regather
Dt 28 Blessing + curses for obedience

Feel the grind, of a music maker, I where 2 hats, pianist + cake baker
Meet my maker, is something 1 day Im gone do, but while im waiting dropped a hundred

Odd, God, I'm a stunter, dropped a benz in the spring + a lam in the summer
Hummer of melodies, something more than a warlock of music sorcery
I intrigue the keenest, not to mention what I do to they eyes
From my climb, yet I sympathize with the common man we see eye to shine
I'm the one that broke the bank, took out 2 mill they had + close for the day

Touched a half a mill like it was pennies, then I told u, Lord, thank you this plenty
But he kept on giving, me mo + mo, till I was freakin ot how my bank accounts soared
A blessing he poured, on a shiner, now I'm laying back mo than a new recliner

(4x) I'm gone stunt, simple + plain

You can ask about our money but its not the same

I was wishing to be the coldest of the rap game, I pulled it off now I got 13 chains (2x)

Now I'm ot here stuntin, screamin I got it made, sitting under a tree in a brand new Wraith (2x)

Sittin on a quarter chicken like everyday, thinking what would I do if I wasn't paid (2x)

I'd be laid ot on a beach, looking at my bank app for the next increase (2x)

Cause money never cease, in growth like a tree, even when u try to slip some poison in me (2x)

Cause my bank accounts increase whether im live or dead,

So I finished up my will so my kids can get it. }(2x)

(4x) I chose to be a rap star, now that's something that, I don't bar (or regret)

The rap game changed, so I'm ot here hustlin dead deep in the thang
 It's a different game than what it used to be, if u don't dye ya beard black than u an OG
 1, 2, 3, hundred racks, seems like everyday I'm touching that
 Plus a gat as I mall, I put on 13 chains + did not fall
 Just stood tall while I rode mean +, boys were jealous hating on the cash I spent
 Why get sent, straight to Sheol for testing a thug wit a heart of gold
 Treasures of old come out the wise, I cooked a box of chicken with a side of fries
 Creole seasoning made a flawless mix, street price 1 mill can u get wit it (proof pics)

Tell me now can u get wit me Im a southwest maller ot that HCT (2x)
 I aint gotta do a thang to get this bread
 It pours into my bank like a riverbank (2x)
 It goes to my head sometimes that Im rich,
 While u at ya 9 to 5 Im ot spending a lick (2x)
 My pockets so thick, like the chains round my neck
 Spent a mill on diamonds + aint stop spendin yet (2x)
 Something more than a vet, my experience, boys were looking in they pockets seeing pennies + lint
 Confident, more than any other, still I prayed for each one cause they still my brother (2x)
 I learned how to shine, from stuntin on crews
 Clicks staring at other like look how he do
 -ing us, this boy hitting, matter of fact, this boy pissin (on us)

I chose to be a rap star, now that's something

Fed, that's how I do, a pretty nig yeah im a dang fool
Fed, that there is true, I'm ot here clownin watch how I do

Fed, that's how I'm living + that's how my stomach always feeling
Fed + bled, a hundred pints, sike, that was stacks the other night
I take flight in somethin new, if I park the lam the rarri coming too
Oh love seen my bank accounts, I showed my pops + he tripped on the amounts
I take route, most the time in somethin foreign, bought a 25 lac but still was boring
Soaring on 7 seas, last I played in China week befo Italy
See me in something exquisite, friendly miss wanted business, I ain't give no digits
Except the usual 9705, it aint about money kick rocks and die (play boy)

This money thing, is so easy, if I told how simple you probably wouldnt believe me
All I do is sit back + collect, meanwhile boys are mad wanna slice my neck
I chose the best industry to get paid, cause its oh so chill how the money is made
Im on 1 or 2 with a new fade, parked at LAX in an escalade

Every time u see me, everything mint, u gone know that 100 thou cash was spent
Cash I lent, that's why my cash greater, as im praying for support for + the haters

I chose to get this money all overseas, currently foreign commodities to us hang
They gone see me clowning from the thangs I got, or catch me overseas in a brand new yacht
Why not be an allie of a shiner, boys that jumped ship or sick cause they all behind them
3rd comma, of a millionaire, my asset cutting just like they at the world fair
Beware of the zero's in my accounts, I would have asked for less cash but they aint hear me out
Without a doubt, in the rap game, it took 3 fraud cases to be a household name
But I got fame, any way go, infamy swag now got a different flo
That's how it roll, when u the greatest of all time, as the musician with the most songs online forever.

Im telling ya how a hundred stacks aint nothin
Then you see im in my hood u know im bout to start struttin
Cash aint nothin, but a means end and after Vipe hit the 1st mill Vipe doubled in friends
Do the math, I broke em all off, chunking more than I can spend all day, a teeny cost
Peep the floss, of a shiner, I dropped 15 racks on a massaging recliner
And a diner that I bought for 99, another reason that I bought it was cause they had a nice wine
Collection, something like a vineyard, when I get up in ya dome nothing else can get in ya

Finna drop an all new Wraith, told em give me the keys then look in the safe
All she saw was the 10k racks, told her make sure they polish all my new flo mats (then burned off)

Cash aint nothing when I step in the mall, dropping 300 cause I got it all
Stuntin every sto, everythang mint, Im gone show these chits snitch how it should be
spent (real quick)

Paper everywhere, like Im a forest, told the mall let me shut em down + they went for it
A hundred racks, cash bought me one full floor, u dont think im gone stunt let me show u
my power

Sour, is the look of folk outside the mall, trying to get in snitching making phone calls
Mad, telling the laws that the mall getting robbed, security told the laws now we on the
job

1 celeb in here got the whole mall rented, he locked the door so nobody in his business
Who it's rented to, oh its rented to Viper, the one nobody likes the rich rapper that might
just

Buy everythang that we got here, indicated by his song now called This Is My Year
Something bout when he was on lock he didn't shed a tear, the he got freed by the Lord
whom he fears + now he here spending a lot

Cash wasn't nothin till I touched a million racks
Now im ot here clownin strait swimmin in that
What's a million racks, that's a billi
That's what im worth in Free Movers stock, can u feel me?

A million racks was the mission, many was hating even some in my team dissin
+ wishing that I wouldn't make my goal, but I did + then some so
I learned the hard way, sometimes u gotta let some folk go, u think they love u but they
really don't
And it hurts at 1st, you got put the one u love in a metaphorical hurse,
And send away, never to be with you another day
Cause if u do they just go get you in trouble + that aint what u need when u on ya mission
hustle
So tustle to make your dreams, and watch out for those with envious schemes
Cause those are the ones that u can't see through, and those be the ones that's closest to u
(that u in love with)

Let me show u, how to get that bread
Let me show u, how to bust a snitch nigga in his head
Let me show u, how to touch 3 commas
Let me show u, how to get a bad asian baby mama (white) (indian) (black) (latina)

Let me show u, first it take money, they aint gone mess wit no broke boys stupid ass dummy
Let me show u, u gotta grow out the beard, cause that half goatee style looking real weird
Let me show u, how to touch big green, u make mo the mo u spend do you know what I mean
Let me show u, What I mean, spend a million diamonds, like me, then sit watch how ya sales start inclining
Let me show u, it take money to make mo, that's why when Im in the mall I shut down all the sto's
Let me show u, u the spokesperson for ur brand, and when u shining best believe folk gone spend
Let me show u, the way to riches, drop a rack on a glock and 10 on some switches
Let me show u, how to clown, if u piece + chains right u gone shine like downtown + all around

When I'm there I stand tall, and folk with money can't buy nothin in the mall
When I'm there I spend tall, and folk can't buy nothin cause I done bought it all in the mall

Yeah I stand tall, took 7 out the bank + toe down the halls
of the mall, made the foundation shatter, folk screaming chill ot but it really aint matter
Splattered 50k in foot locker, left with all sneaks + design pretty a shoe clocker
Shocker, the way I stunt on price tags, told the clerk don't show me, throw the tags in my bags
Money + my diamonds I ain't stuntin no price doe, the windows locked, this sto folk cant go
Boxes in a golf cart store, laws like what happened, pulled out another 60 shutting down foot action
Every kinda nike shoe that a hooper could buy, new long shorts, whole court my rise too fly
Cutie pies askin why am I clowning like this, throwing 20's in the air while paparazzi popping pics (pop click)

Yes my nig, you know I'm gone clown, a hundred racks is the sound of the money falling down

Everything, covered up all around, got it raining cats + dogs but its green hitting the ground (touchin down)

(4x) Cause Im pretty, pretty as hell, cause im pretty, pretty as hell

cause im pretty

I got 11 baby mamas, baby with 11 commas and they all causing drama

cause im

I got 11 cribs in 7 states, name the flyest states, thats where my cribs stake

Plenty cake, so much I cant count it all, so every day in a different town mall

Cause im pretty I got everythang that I dreamed, from bad asian baby mamas to chicken wings

Peep the sting of a pretty snake touching cake, I woulda turned em on but I heard that they flakes

Boys fake, so I don't kick it wit em, Id rather be with my kids watching chicken little

2 or 3 or 4 doors on my cars, I bought a green lam just cause im a paid star

No holds barred cause Im so pretty, clicks were jealous so they acted real sedit

It want me, but I still want mo,
I got a hundred racks cash sitting at my door

It want me, but I want mo, took 300 out the bank and dropped it on my floor
I like red + green so they put in 50's, 300k in red so the flo so pretty
Plenty, is what I touch, I touched a mill yesterday but it wasn't enough
Like billy goat gruff, im ruff on these haters, that's what they get for being fakers
Sexually more than a player, the way I strut, dropped 40 in the mall + 10 in the cut
Oops I mean 10.5, rocked a bird let it swerve now Im sittin on 9
-tee-9, quarter cookies, making so much in the grind while Im laughin at rookies
It feel so good to be the top pro, watching boys burn they bread cause they aint cooking
slow (u know?)

I might just chill, I might just stunt
I might do anything that I want
I might just dunk, I might just cruise
I might put a bad side in the nude
I might blow kill, I might just clown
I might be the talk all around town
I might hit the sto, I might hit the mall
Whatever I do I aint gone do it small, just tall

I'm the type, that keeps a tool
I'm the type that keeps it cool
Knowing every nig on this planet packing
Knowing every other nig on it jacking

Find me wit that muscle, the type that make a nig skin burn + cristle
It's official i'm a tooly boy, keep every kinda tool + every kinda toy

Money is easy, it's simple, something like my beard + my chin dimple, no effort
to make another mill, it's elemental
And stacking these millies with ease, is essential, yet consequential

Consequential, cause they gone hate, if you got more than 8 zero's on your plate
It's great, to look at my bank accounts, to this day im freaked out by the amounts
How could a pretty nig have so much paper, it goes against every law of physics and
nature

Hate ya, pockets are empty, today I hit the bank + they checked me 50
K, what can I say, tricked it off on a new drop, went back a hour lay
-ter, for 60k mo, dropped 40 down on a beach house + 20 on the flo
1 mo, drop to the bank, these folk gettin tired of me with all this cake
But every time I make a withdrawal they see the diamonds, and they know its a rich nig
thats climbing (so they chill)

What would I do if I wasn't made, I'd still be rich getting paid (2x)
In something foreign, like a benz or an audi
11 cribs n baby mamas, I aint sorry (2x)
11 sons, 4 girls + a lam + a rarri
How the hell I get all this if I aint mallin (2x)
11 mallin swiss bank accounts + an atari
11th house a whole county, back yard like safari(2x)

Peep the play, of a pretty boy shine
12 mill is what they sayin that Im worth online
They tell a fib, Im really worth 27
If im lying them Im dying + im going to heaven (at 87)

(2x) I'm that fella, im that fella, im that fella
They seen me wit all that cash + dough

They buried me under the jail, like I had no worth isolation was my cell
They buried me in hell, locked away with no bail
So (now) I done slithered ot the ground, now in hell on earth (cause)

(2x) Yeah how u know
I got the Ken doll 6 pack goin on
Giving yall mo music than any other rapper,
That ever lived, from the life of a trapper

Im gone stang time + time again, gone give all my money to the poor + then get rich again
From beginning to end im a shiner, just dropped a hundred stacks on a drop top recliner
was it a beamer or was it a benz, I don't even remember on account of the wind
Blowing in my hair, I just know I got both, drive the beamer to the west, the benz go east coast
I got the most raps, of any rapper that lived, look all the rap game a pretty shiner give
And they still trying to ban me cause im too live, dropped a 100 new albums hater insisted I died
Sometimes I ask why, they want the ending of a giver, maybe its the money or cause i'm a fast liver
But either way it's wrong cause im blessing yall with music, but they rather see me dead and nobody ever use it (aint that cold)

I'm thinking to myself, damn this aint right
But I gotta hurry + drop those tracks before they take my life (2x)
The rap game my wife, we both got married at 20
Since day 1 she done gave me plenty (2x)
We both were born in 1971, she done gave me 4 daughters + 5 sons (2x)
Something bout my wife, the rap game, she treat me like a kind so I never complain (2x)
She givin me bad messages not done by no other girls
And she don't talk behind my back like these haters in the free world (2x)
She never set me up, to get robbed,
Like those girls did me lots of times on the boulevard (2x)
My wife the rap game, cook a mean home cooked meal,
and make sure that I get my fill (2x)
Oh how I can depend,
Like THE LORD, she my best friend from beginning to end.

You bet not ask nobody bot Vipes, or u gone learn something new about stripes (life)
(riches) (pipe, bands)

A hundred thou cash, that aint plenty, I spent that in 1 sto, that there pennies
Any, where I go, they rippin off price tags, what the hell is price, then just throw it in my
bag
And snipe the black card, 3 mill is my limit, sike its a black card, unlimited spendin, no
limit

(4x) This is my year, to strait up clown + prove to my boys its going down (black, green, hood)

This is my year, to jump out jail, fresh out of prison finally got a bail

This is my year, to prove I'm made, fresh ot solitary with a brand new fade

This is my year, to clown on boys and to show that I keep all kind a toys

This is my year, to stand tall, stunt on my bro and then hit the mall

This is my year, to bless my kids, and show em all the things in jail daddy did

This is my year, to be a poet, to show Im the greatest, make the world already know it

This is my year, to wear 13 chains, the realest of the game, aint nothin changed

This is my year, to bad act, besateenin diamonds gleamin in a brand new lac

This is my year, to be the best, beat the belly of the beast, straight passed the test

This is my year

This is my year, they cant fade Viper, something more than a rapper, something more than a sniper

Type-a-, shiner that'll hurt ya eyes, this is my time, so dont act surprised

This is my year

Let me gone show these peons, how to ball, take a hundred stacks cash + blow it in the mall

If u paid if u aint fall, back above the bank, and blow another hundred on these fakes (all day)

Thuggin + mallin that there all me, a few mill in the bank got me spending cheese
Ice on my neck got me locked on gleam, if I dont get enough attention, my ego bleeds
Im stuck on paper 10 new hotties are legal, soaring above something like an eagle
Smart as a beagle, like fall guy or charlie brown, if I say bet it on it u know its going down

If i wasnt down Ide be the one with the smile, think bout all the cash I got all the while
More than a golden king that cant be touched, cause Im much too shiney, + worth too much

Yeap more than Midas + without the curse, but still can touch the ground + make a golden earth

I wonder what's worse, me or a hurse, we both long + black + make feelings hurt (from our work)

(2x) Everyday I touch cash wires
The size of which, off 1, ude be able to retire

Boom, another wire coming in, I push a button + its 30 racks to spend
Or lend, either is cool, I let the beard so gray to teach the golden rule
I'm a fool, something like a prophet in his prime, I asked my blood for a mill + he gave
me 9

Lives I touch with these rhymes, u woulda know of me last week but it wasnt my time
To shine, my 15 comin at 60, but 16 or 90 leave ya sleep in ya bently
Plenty, paper I got, I took ya mane to the store, she said she wanna buy a lot
I said cool, I don't mind feedin the fam, one thang I am is a good man man
Blam, was the sound of the smash, after we dropped off the grocery bags

What the hell is a hundred k
I took a hundred k cash + burned it up in my fireplace
Took another hundred racks and threw it in the gutter
When it come to cool stuntin, there ain't no other, than V
There aint no other x4

Sometimes when I hit the mall, I fall through with a megaphone screaming I'm gone buy
it all
The call I make, is to some bad asian bitches, that's intrigues with my riches
Snitches, hate + say I stole something, knowing good + well I'm droppin nothing but
hundreds
Stunnin on sets so raw, my bae mama thick brought her some lady drawers
Paused, to hit the food court, in the mood for top fillet so steak + shrimp my choice
Voice, less is these haters, saying they was gone steal me but I knew they fakers
Paper makers, is who I ride wit, throwing ones in the mall for the hell of it.
Looking back as little kids pick em up, gray beard black santa throwing cash like
monopoly bucks

In his prime, In his prime, In his prime, In his prime, In his prime, In his prime, 6 pack
 got me looking like a top wrestler
 In his prime, In his prime, In his prime, In his prime, In his prime, In his prime, grey
 beard got me looking like black santa
 In his prime, In his prime, In his prime, In his prime, In his prime, In his prime, diamond
 septer got me looking like a king
 In his prime, In his prime, In his prime, In his prime, In his prime, In his prime, ripped
 arms got me looking like the next big thing, in his prime

I cant hit my prime, I'll probably hit that at 79
 Im inclined to be the one, to show off from dusk till dawn
 Probably stop working ot when I hit the tank, I'll be dead so it wont be no cash to make
 Think I aint, gone clown till then, damn straight, I just beat these fraud cases to the pen
 Its a win, I aint wanna go again, plus my kids need the old man
 So Im praying all day, giving thanks to my Lord, he still gave me a whoopin but with the
 bottom of the chord
 Not the metal side, where sometimes wires stick ot, that's the part of extention cord that
 make ya shout
 u never caught a whoopin with one, its worst than a belt, every emotion in ya soul gone
 be felt (Thank You Lord)

Still in my prime, I just dropped a million tracks online (2x)
 Yep, that was my mission, now I got more music online than any musician (2x)
 In the history of music, Guinness book of world records, who can refuse it (2x)
 The fact that im the greatest of all time
 A million tracks online prove it, that im not lying (2x)
 I did it, I accomplished my dream,
 Now I'm the greatest rapper there ever could be (2x)
 I'm #1, look at the stats, so many songs online in 1 lifetime u could hear all that (2x)
 I never stopped working with 1 goal + fast
 Im make at least 100 songs every day that past
 And I accomplished million songs as my dynasty
 I left music for generations to know bout V, that's me

(4x) Time + time again, I'm gone shine

This turned ot to be a hustle of mine (another hustle of mine)

Thank ya, thank ya lord, u everythang that money cant afford
 I know I dont say thank you enough so im bout to start even when times is tough

(2x) Thank u Lord for everything uve done for me, I couldn't say thank you enough if I said it eternally

(2x) If it wasnt for u where would I be, probably hanging ot a car under a tree

(2x) Dead with no where to go but down, but u keep me up Lord on solid ground

(2x) And on the solid rock I want to stand, but evil on my heels dont want me to have a chance

(2x) But I know my roots, my roots in a church, if I dont find em quick Im gone be in a hurse

(2x) Or worse with the hot place as my curse, stuck forever unable to sing a verse

(2x) I thank you Lord please guide me the right way, don't wanna break ur heart no mo, Im gone act right today

Cause I know u tired of me acting up, and my time running ot + so is my luck

(2x) When times are rough, death at my trail + he catching up

(2x) He flaky, like dandruff, + this time I wont be able to call his bluff

(2x) He got a winning hand, but me in Hades aint my plan

(2x) So I'm gone change for the better, I got 1 last chance like Rocky IV Sylvester

(2x) I got u in this fight, so Im gone pray + thank the lord everyday + every night

(2x) This the bout of all ages, its me against the evil one the winner save graces

(2x) The winner get wings on his feet, the loser get stuck in the belly of the beast

(2x) Where the warm never die, the fears never dry + the skin always fry OH MY

(4x) Got damn - getting this money easy if I told u how simple u probably wouldnt believe me

Easy as $1+1$ math fundamental, and the way I add it up is exponential

The cash in the bank is overflowing so I knocked off a lambo to see where Im going
Showing, off on these haters, I fell through the mall + it was greater later

Im bout my paper everyday, I'm like a bank teller the way I touch this pay

So let me tell you how to stock it, you get mo back when u spend all in ya pocket

It take money to make money u aint know, I dont buy the racks, I buy the sto

That's the way it go, big bank take little bank, u aint thanking money? what the hell do u thank?

A tank of cash is what I keep, Id ride it in the streets but itd fall ot my jeep

Peep the play of a magician, let me conjure u up some cash, sike I got u wishin (I'm just dissin)
